Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from The Christian Manual: Or of the Life and Manners of True Christians John Woolton, or (as it is sometimes written) Wolton, was born at Wigan in Lancashire in the year 1535, parentibus honestis, sed nobiliori matre. It seems to have been by his mother's side that he was a nephew of the justly celebrated Dean Nowel; and with him, after spending some years at Oxford, as a student of Brase-nose College, apparently without proceeding to any degree, he travelled in Germany during the persecutions of Mary's reign. After his return to England on the accession of Queen Elizabeth, little is heard of him till the year 1578; in which year, through the influence of Dean Nowel, a new charter was granted to the collegiate Church of Manchester, and Woolton was named the first Warden. This post however he occupied less than two years, as he was preferred to the bishoprick of Exeter in 1579, and consecrated by Archbishop Grindal at the beginning of August in that year. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
