Let the prayers and stories of real people who have had help from the angels open your heart to the care they can provide for you. According to Scripture, angels are mighty beings. Anyone who can snap the seven thunders to attention gets our respect. And God has given the angels to us as our helpers, protectors, and friends. They re on our side. They ll help us in all the difficulties that may creep into our lives. Their main job is to help us spiritually, but they also help us in all of life s problems. When the heat of temptation starts to burn, the angels come to our aid. When our relationships spin out of control like a jackknifed eighteen-wheeler, the angels come to our aid. When we have to mark another week of unemployment on the calendar, the angels come to our aid. No matter what upheavals we face, we can count on the angels. Drawing from the official teaching of the Church, popular devotion, and the writings of Saint Thomas Aquinas, this book provides information about the angels. It also contains stories of encountering the angels, and a collection of prayers for their intercession.
