Pursuant to a legislative requirement, GAO examined the Panama Canal Commissions financial statements for years ended September 30, 1991 and 1990, its internal controls, and its compliance with laws and regulations. GAO found that: (1) the Commissions financial statements presented fairly, in all material aspects, its financial position as of September 30, 1991 and 1990, and the results of its operations, changes in investments, and cash flows for the years then ended, in conformity with generally accepted accounting principles; and (2) the audit did not disclose any material weaknesses in internal controls or noncompliance with applicable laws and regulations. This item ships from La Vergne, TN. Paperback.

Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You wont feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).
