The idea of the coffee novel is that it is an intriguing story short enough to read in one or two sittings for people who love to read, but are busy and don't have time to get bogged down with a long complicated book. Grab your cup of coffee, or your favorite beverage, sit down, relax, read and enjoy! Ashley loses her father to being struck by lightning. And she lost her mother five years earlier. Her parents had always told her about God, but she always refused to come to God as a sinner to receive forgiveness by faith in Christ. Now she knew she needed God, but did not know how to come to Him. Would God give her another chance to become his child? Would Clide, an attractive young friend of her father's, have the answer? Will Ashley find God and peace in Christ? Will she find romance, true love and marital bliss? Read to find out what others are saying about...
