

Overcoming the Senior Slump: Meeting the Challenge with Internships (Paperback)

By Randall G. Glading

ROWMAN LITTLEFIELD, United States, 2008. Paperback. Book Condition: New. 211 x 135 mm. Language: English . Brand New Book ***** Print on Demand *****.The static state of public education continues to plague educational leaders and educators. The acceptance of the status quo of public education is recognized by all of us, and it is time to look at radical change. The college drop-out rate continues to be a serious problem, and it is time to take a hard look at what secondary education is all about. After the junior year of high school, most students have completed the mandated courses and examinations. This is the time when we must challenge our students, emulate the college experience regarding academic rigor and change, make students truly look outside of their insular adolescent world and see what life is all about.

Reviews

This book is definitely worth acquiring. I have go through and so i am certain that i will likely to read through again again in the future. Its been printed in an exceptionally basic way in fact it is only after i finished reading this publication in which actually altered me, change the way in my opinion.
