Something was always happening in Monte Vista, and it was a noisy and interesting place to grow up. Weezie liked all her friends and all the things to do there. But Weezie never wanted to go home. Weezie never told anyone what her daddy did to her when they were alone. She was so ashamed and thought God was mad at her because she did bad things. And she eventually learned that Daddy was hurting her brothers and sisters and other kids in the neighborhood too. She didn't know until she was all grown up that the abuse was not her fault-that she had done nothing wrong. She learned that her daddy was hurt when he was a little boy and that people who are hurt sometimes hurt others. Diaries of the Fifth Grade Miseries is the story of a little girl growing up in an abusive home and how she eventually finds peace and happiness by forgiving those who trespassed against her-her mother and father. Weezie learns that forgiveness sets you free from the bad memories, sadness, and guilt that result from abuse. This book is a must-read for children and caregivers alike.
