A new spirit of freedom as of nationality is awake throughout the land. The first step is a call for more breathing space and the Government, it may be inferred from their approval of the nomination of the two committees, are not indisposed to answer to that call. If the investigation is to be thorough, those responsible for it will find plenty of food for thought in the leaves of this compilation. Here are gathered together much of the legislation which had evoked the major portion of the mistrust convulsing the peoples of India. I do not suppose that its Author pretends that this offering of his industry and brain is exhaustive. He has none the less collected into a handy space...
