

## Two Old Faiths

Filesize: 2.89 MB

### ***Reviews***

*This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It has been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, alter the way I believe.*

Asian Educational Service, New Delhi, 1994. N.A. Book Condition: New. 19 cm. 19cm, 156p. Two analytical and critical essays on the two great religions of the World ? Hinduism and Islam. The essay on Hinduism is written by J. Murray Mitched and the one on Islam is by William Muir. The essays are long and are thus divided into parts. The ?Hinduism? essay comprises of an introduction, the Vedas, Philosophy and religion, Reconstruction ? Modern Hinduism, contrast with Christianity, and Hinduism in contact with Christianity. The essay of Rise and Decline of Islam comprises of an introduction, the rapid spread of Islam, why the spread was stayed and on the position of Islam in the scale of civilization. Both essays are written with a critical pen and much inclined esp. the one on Hinduism ? to compare it with Christianity. The observations they make on the beliefs and rituals are correct but when the Christian flag is waved it looses it effect. By far the essays are very readable and informative. The progress of the Bhramo Samaj under Keshub Chandra Sen is delt with some length in the essay on Hinduism. These essays were selected from ?Present Say Tracts? published by the Religious Tract Society, London. This book is a reprint of the 1891 edition.
