Reviews

Very useful to any or all type of people. This is certainly for those who statte there was not a worth reading through. You can expect to like how the writer write this pdf.

(Dr. Rashawn Lang)

CARL ROGERS HELPING SYSTEM: JOURNEY AND SUBSTANCE

SAGE Publications Ltd. Paperback. Book Condition: new. BRAND NEW, Carl Rogers Helping System: Journey and Substance, Godfrey T. Barrett-Lennard, 'This book is a monumental achievement, and person-centred practitioners will be indebted to Goff Barrett-Lennard for many years to come. He has written no only a definitive study of the history of person-centred approach - what he calls a report of the "evolutionary course of a human science" - but also an accompanying commentary which is unfailingly enlightening, sometimes provocative and occasional lyrical' - Brian Thorne, Emeritus Professor of Counselling, University of East Anglia and Co-Founder, Norwich Centre 'I highly recommend this book as a reference source of major import, as bibliography, as history as art, and as a complex discussion of questions that plague the person-centred practitioner and the client-centred therapist' - The Person-Centered Journal 'If you only ever buy one book about the Person-Centred Approach, other than those written by Rogers himself, this is the one. It is a staggering achievement by one of the most knowledgeable writers in the field' - PCP Reviews 'This book is a gem, and should have wide appeal. It is an excellent introduction to person-centred psychology, written in accessible style, and it takes the reader beyond the simplicity often confused with naivety Goff Barrett-Lennard reveals a sophisticated complexity that challenges us to view the "person" with fresh eyes and an open mind' - Tony Merry, University of East London 'I strongly recommend this book as a sophisticated treatment of the client-or person-centred approach to therapy and its applications to areas outside therapy. It is also a useful overview of research on all aspects of person-centred ideas' - Psychotherapy Research 'This book is not a single "meal" in itself but a positive "larder" containing every imaginable staple food and condiment all exquisitely and thoroughly researched. The...
