Reviews

*This is the finest book i have got go through right up until now. I have got read and i also am confident that i am going to planning to read once again yet again in the future. You will not truly feel monotony at at any time of the time (that's what catalogs are for about if you check with me).

RareBooksClub. Paperback. Book Condition: New. This item is printed on demand. Paperback. 26 pages. LC Number: KF31 . C69 2005o OCLC Number: (OCoLC)62146770 Subject: Railroads, Local and light -- United States -- Finance. Excerpt: . . . l. During the time of the Reform Act, Amtraks subsidy per passenger declined from about 80 in 1998 to about 22 in 2001, but this was due in large part to Amtraks heavy borrowing and liquidation of assets to generate cash, leaving it with a large debt service bill today. In 2002, the final year of the Reform Act, Amtrak received a Federal loan and an emergency appropriation to avoid bankruptcy and its subsidy jumped to nearly 40 per passenger. Increases in the per passenger subsidy were similarly observed over the next 2 years, reaching nearly 44 in 2003 and 48 in 2004. Under current management, Amtrak has undertaken significant efforts to reduce costs, restructure services, rebuild equipment and return infrastructure to a state-of-good-repair. Management reforms have led to reduced or stable operating costs, the termination of unproductive business lines, and increased ridership. Headcount at the Corporation has dropped by 3, 900 since 2002, while the number of daily trains has risen from 265 in 2002 to 300 today. Amtraks ridership grew 4. 3 percent in 2004 to a record level of 25. 1 million passengers. Significant challenges and funding needs remain. Amtrak and the DOT Inspector General (IG) identified roughly 5 billion in deferred maintenance and capital backlog projects needed to return the NEC to a state-of-good-repair. On-time performance across Amtraks system remains dismally low, and Amtraks flagship fleet of high-speed trains, the Acela Express, were sidelined for several months due to brake problems. Acela Express trains only recently returned to service. The Corporation and its operating unions remain deadlocked in longstanding...
