Createspace, United States, 2014. Paperback. Book Condition: New. 277 x 211 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This book has been updated and improved in January 2015 to make it even more indicative of the PMP Exam(r) experience, based on reader and student feedback. It is a low-cost alternative 200 question practice PMP Exam(r) for those studying for the latest (Summer 2013) version of that exam, as it has changed to accommodate the 5th edition of the PMBOK(r) Guide. The author s opinions regarding what makes a good exam question, and of the trends in the PMBOK(r) Guide as it has matured through five editions, are captured in the questions inside. The exam is tightly aligned with the PMP Exam(r) s specification in its construction. The answer section shows a process group, knowledge area and specific PMBOK(r) Guide reference point to make the process of learning and re-learning easier. The book is capped off with a one page summary view of the answers and their associated process group and knowledge area references. For those studying for the CAPM(r) Exam, please consider my sample exam book addressing that.
