LEADING LIFE-CHANGING SMALL GROUPS

Zondervan. Paperback. Book Condition: New. Paperback. 192 pages. Dimensions: 9.0in. x 7.3in. x 0.6in. Like nothing else, small groups have the power to change lives. They're the ideal route to discipleship—a place where the rubber of biblical truth meets the road of human relationships. This updated and revised third edition of the bestselling *Leading Life-Changing Small Groups* handbook helps small group leaders learn the basics of leading a successful small group. Regardless of whether a person is leading for the first time or has been for years, this resource will help a small group leader more effectively facilitate group discussion and encourage and support group members in a way that leads to authentic and lasting life change. The unique, ready-reference format highlights the requirements and responsibilities of a small group leader, gives helpful insight into the process of group formation and answers practical questions about meeting preparation and how to encourage group participation. It includes a model for discipleship within a small group and suggestions for dealing with some of the common roadblocks and struggles that most groups encounter. This workbook can be used as a stand-alone resource to train coaches or partnered with the eight-session training videos taught by the author, available on the *Equipping Life-Changing Small Groups* DVD (sold separately).
