Paperback. Book Condition: New. Not Signed; Laura Lovegrove is leaving behind her seamless life in London. Architect husband Adi has been relocated to rural Norfolk, a far cry from ultra-urban Ealing. Though Laura knew village life would be different, she didn't foresee a pokey cottage, nose-y neighbours, errant poodles, and even an ex turning up. Chris had been her big love at art college and seeing him again is utterly confusing. Is she really so different from the impulsive student who once trawled charity shops for vintage treasures? When a fire all but destroys Laura's collection of vintage clothes, she's heartbroken. And seriously lacking in outfits. But, salvaging what she can, Laura makes do and mends - sewing purses, bags, even dog leads (which should solve the poodle problem). Soon, she's inundated with orders. But Adi is becoming more and more distant; it's like there's something he's not telling her. Can Laura make a stitch in time and pull her family back together again?. book.
