Reviews

Extensive manual for publication fans. I have read through and so i am sure that i am going to going to read once again yet again in the future. I am pleased to let you know that this is actually the best pdf i actually have read through inside my very own existence and may be he very best publication for ever.

(Mrs. Trinity Boyer)

BRONZEWORERS IN THE ATHENIAN AGORA (PAPERBACK)

American School of Classical Studies at Athens, United States, 1982. Paperback. Book Condition: New. Volume XX ed.. 206 x 145 mm. Language: English . Brand New Book. The prominence of the Temple of Hephaistos, Greek god of metalworkers, situated on a hill to the west of the Agora, reflects the esteem in which bronzeworkers were held by the Athenians. Although many of the objects these craftsmen produced have now been melted down, the statues, lamps, and vessels that remain testify to the high standards of their craftsmanship. As well as illustrating some of the surviving finished products, the author discusses the techniques used to cast bronze and the level of skill involved in producing complex metal statuary.
