

## Explore the Brain for the Soul and Overcome the World: To Conquer the World We Must Explore Beyond the World (Paperback)

By Joseph H. Miller

AUTHORHOUSE, United States, 2008. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This book hopes to encourage the reader to: Clear the mind, get rid of presuppositions and prejudices, awaken the soul, prove that God exists, and learn that soul growth is the goal. This is the way to overcome the world. The brain functions much like a group of computers, but a computer does not have feelings nor does it know right from wrong. All morality and ethics are revealed in God's word. The greatest tragedy and failure of the religious leaders of the last fifty years is that of widespread Biblical Illiteracy. We are now beyond post-modernism. The secular world has pushed us in a counter-counter reformation. The swords of religious liberty are used by non-religious minds against religion. (They support immoral religious leadership, pornography, abortion for all, homosexuality, non-baptized babies go to hell and even worse, Biblical Illiteracy.) Our leaders who have abandoned the proper teaching of the Scriptures have led us into a world of unbelief. One has to know the Scriptures in order to believe them. Vandals publicize more on walls than we do...
