What started as a few pages of text written to capture and organize author Rodolfo Leon s thoughts grew and grew, as things began happening in the author s life that contributed to his writing. Using elegant logic and emphasizing his ideas through philosophical poetry, Unity in Diversity: A New Perspective provides a simple, reasonable, and satisfying explanation of both God and how and why we exist-and it s all about love. Leon begins by discussing the difference between being and consciousness, a foundational concept expertly woven throughout the book. He then goes on to explore humanity s most enduring questions, addressing a variety of issues, including: Our connection to God Human diversity Meditation Evil Death Animals Social change Preparing for what is to come Seeds for transformation With this book, author Rodolfo Leon shares his ideas to help make our world a better place. And in the final section, you will find four practical ideas for fulfilling the purpose of our existence here on Earth.
