Createspace, United States, 2014. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.This is the second book of the series Shaitan Wars . The first book was The Battle of Titan . The book and the series continues telling the story of humanity s rapid but perilous journey from a technologically primitive species to a major power in the galaxy. The story begins where it left off in the last book. Humans having defeated the last invasion of the aliens called Shaitan on Titan, go about studying the alien technologies. Meanwhile a shockwave goes through the Shaitan worlds. They have never been defeated in a battle for eons, much less by a primitive species like the humans. They plan their revenge to teach the humans a lesson before exterminating them. The story then moves 20 years later. Humans have improved their technologies, some by directly learning from the Shaitans, others on their own. Humans have also organized themselves better to fight the next invasion which they expect any time now. They now have a unified space command and a common space marines. The Shaitans return in greater numbers as was expected, but no one had expected so many and from unexpected directions. The Shaitans also surprise with newer and more powerful ships which they had not bothered to send before. A huge cast of humans from soldiers to scientists to engineers are able to defend humanity despite inferior technology, due to the ingenuity and bravery of the human defenders. Many characters from the previous encounter, fight along with a newer generation. They create their own dynamics and complex relationships, which is the hallmark of any human story. The battle on Mars takes surface battle to new heights, and during the...
