

Indian Mythology: Tales, Symbols and Rituals from the Heart of the Subcontinent

By Devdutt Pattanaik

Inner Traditions Bear and Company. Paperback. Book Condition: new. BRAND NEW, Indian Mythology: Tales, Symbols and Rituals from the Heart of the Subcontinent, Devdutt Pattanaik, From the blood-letting Kali to the mysterious Ganesha, the Hindu spiritual landscape is populated by characters that find no parallel in the Western spiritual world. Indian Mythology explores the rich tapestry of these characters within 99 classic myths, showing that the mythological world of India can be best understood when we move away from a Western, monotheistic mindset and into the polytheistic world of Hindu traditions. Featuring 48 artistic renderings of important mythological figures from across India, the author unlocks the mysteries of the narratives, rituals, and artwork of ancient India to reveal the tension between world-affirming and world-rejecting ideas, between conformism and contradiction, between Shiva and Vishnu, Krishna and Rama, Gauri and Kali. This groundbreaking book opens the door to the unknown and exotic, providing a glimpse into the rich mythic tradition that has empowered millions of human beings for centuries.

Reviews

It is an awesome publication which i actually have ever read through. it had been writtern really properly and valuable. I found out this book from my i and dad recommended this pdf to discover.

-- **Doyle Schmeler**

This book is definitely not simple to begin on studying but quite fun to see. I actually have read and that i am sure that i will gonna read through yet again once again in the foreseeable future. It is extremely difficult to leave it before concluding, once you begin to read the book.
