Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.All the students filed out of class quickly, the teacher stood in the hall, yelling at them to walk and not run through the halls on their way to lockers and carpools. The few unlucky guys and girls in the back of the crowd of people pushing, and shoving to get to the front were made to wait in line by the teachers until the crowd thinned out a bit. While all this was going on, I made my way to the low bookcase in my class and bent over my open back pack digging around inside, making a show of looking for something. As the last person ran from the room, I made my move, I started shoving books into my bag to take home and read. Yes, I was stealing books, how pathetic right? I know, but I couldn't help myself, you see, I am a voracious reader with a non-existent budget for books. I'm an only child of a single, divorced mom. My mom works full time as a home healthcare...

### Reviews

*This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You won't feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).*
