THE POET S MEMORIES AND POEMS OF INSPIRATION (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The Poet s Memories and Poems of Inspiration The evidences of the thinning of the veil between the seen and the unseen are multiplying almost hour by hour. So swiftly are we swinging into the New Age of the Spirit that multitudes, who have hitherto been content to plod along the homely roads of the common-place, have suddenly felt themselves touched by the invisible hand of inspiration and have irresistibly, as it were, expressed themselves in a new and infinitely sweet form of utterance. This has taken the forms of poetry, of art, of music, of literature and of revelation. Much that has been written is of surpassing richness and value. A new world-library has been written. In no department has this been more clearly demonstrated than in poetry. The present volume is an exemplification of the power of the spirit to overshadow. In the within verses, the author has permitted the divine Muses to strike upon his soul-strings some rare symphonies. I am glad that he is giving them to us in the printed form. His readers (may they be many) will share with him, I am sure, the indescribable sweetness and thrill of heavenly communion.
