Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Brick for Street Pavements: An Account of Tests Made on Bricks and Paving Blocks, With a Brief Discussion of Street Pavement and the Method of Constructing Them It having been decided that the Main Avenue pavement should be constructed of some form of clay product, a series of tests of the various materials in market was deemed advisable in order to aid in selecting the proper variety, and, if found practicable, fix a standard by which the different varieties might be adjudged and accepted or rejected, as their qualities and powers of resistance would determine. Accordingly a circular letter was addressed to manufacturers and dealers, requesting them to ship to my office, at 41 Pike Building, Cincinnati, Ohio, samples consisting of twenty or more of each of the varieties of the bricks or blocks manufactured or sold by them for street paving purposes, to be tested. In response to the circular letter, samples were kindly furnished by the following parties, and numbered as below: 1. Lithonia Georgia Granite, John Regan, contractor, city. 2. West Virginia Brick Co., Charleston, W. Va., H. C. Bruce, President. 3. The Diamond Brick and Terra Cotta Co., Kansas City, Mo. 4. The Pittsburg Sewer Pipe and Fire Clay Co., New Brighton, Pa. 5. Canton Brick Co. (red granite street pavers), Canton, Ohio. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
