Reviews

It is an incredible ebook that we actually have ever study. This is certainly for all those who statte that there had not been a worthy of looking at. I am just pleased to inform you that this is the very best publication i have got go through during my individual daily life and can be he best ebook for possibly.

(Clarabelle Marvin)

ANCIENT GREECE: AN EXPLORER'S GUIDE

Interlink Books, UK, 2008. Softcover. Book Condition: New. First Edition. Available Now. Book Description: Ancient Greece is rich in maps, site plans, and photographs providing potential explorers eager to bask in both beauty and history with a wealth of material to ignite the imagination and facilitate trip planning. Authors Meagher and Neave structure the book around four itineraries, three of which correspond to distinct eras and regions. The Minoan itinerary unfolds on Crete; the Mycenaean is focused on the Peloponnese; the Classical itinerary on Athens. The final, eclectic itinerary focuses on the Cyclades and features island-hopping and a survey of the full span of Greek antiquity from the late Neolithic Age through the Classical period when the island of Delos, the mythical birthplace of Apollo, was the religious centre of the Aegean. Each itinerary includes witty and erudite explorations of mythology, history, literature, archaeology, and architecture, as well as concrete help finding the most stunning sites that preserve that history today. : Review: An impressive addition for any personal or community library travel guide reference collection, and is especially recommended for non-specialist general reader contemplating a trip to Greece. --James A. Cox, The Midwest Book Review: This handsome guide almost explodes with its abundance of information for travellers considering a visit to Greece. The first three chapters, 'Envisioning and Planning Your Trip,' 'A Walk Through Ancient Greece,' and 'Getting Acquainted with Greece,' cover both relevant history and practical information for visitors. Four minutely detailed itineraries follow, taking the reader day by day through Crete (Minoan Greece), the Peloponnese (Mycenaean Greece), Athens (classical Greece), and the Cyclades (Aegean Greece). These cover where to stay, what roads to take, when to arrive, restaurants, prices, etc. The colour photographs are impressive. Recommended. --Library Journal.the relatively compact Ancient Greece: An Explorer's Guide is the...
