

## Genuine BACnet standard building automation system technology 9787111381440(Chinese Edition)

By ZHANG SHAO JUN

paperback. Book Condition: New. Ship out in 2 business day, And Fast shipping, Free Tracking number will be provided after the shipment. Paperback. Pub Date: 2012 Pages: 390 Publisher: Machinery Industry Press title: the BACnet standards and building automation systems technology List Price: 68.00 yuan: Shaojun Press: Machinery Industry Press Publication Date: June 1. 2012 ISBN: 9787111381440 Words: Pages: 390 Edition: 1 Binding: Paperback: Weight: 640 g Editor's Choice BACnet standard building automation system technology can be used as building electrical construction class universities and intelligent. electrical engineering and automation. automation. electrical engineering. mechanical electronic engineering textbooks. The construction industry professional involved in building intelligent information technology professional engineering and technical personnel of enterprises. designers. college students. graduate students and executives learning and application of building intelligent technology. information technology has a high reference value. The executive summary BACnet standard and building automation systems technology of the BACnet standard. building automation technology are discussed in a more comprehensive. in-depth and system. strict theoretical system. complete. Main contents include: the field of industrial control and building control field control network technology; Overview BACnet standard; the BACnet protocol architecture and application layer; BACnet network layer. physical layer and the data link layer: BACnet...

### Reviews

*This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You wont feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).*

*-- Prof. Kirk Cruickshank DDS*

*This kind of book is every little thing and taught me to looking ahead of time and a lot more. I am quite late in start reading this one, but better then never. I found out this book from my dad and i encouraged this pdf to find out.*

*-- Justus Hettinger*
